

Feather Princesses – Tampa, FL

2- Day Applique Workshop

This workshop will introduce you to some new appliqué techniques. Learn this “Off The Block” prepared edge, with freezer paper templates and starch-turned edges. Even beginners get excellent results with this hand appliqué method. No appliqué experience is necessary, but basic quilt making skills are assumed. As this class will feature all hand work, no sewing machines will be needed. Techniques that will be demonstrated include: working with Appliqué Template paper (freezer paper); Appliqué Pressing Tool & Stiletto; making perfect circles; 1/8” inch bias stems; multiple unit templates; concave and convex shapes; inside points; reverse applique; stitching; and more... There are no time demands placed on students. Get ready for a fun appliqué experience!

This is a *technique* workshop, no specific quilt pattern or design is required. Bring whatever project you need to complete—or start a new one. All skill levels are welcome.

Supplies

- Appliqué Pressing Tool & Stiletto
- Small Craft Iron – (I work with 2 or 3 irons) I use Cheri’s Cool Tool, Clover Wedge Iron & the Clover Mini Iron II
- Ironing Mat - such as June Taylor Cut N’ Press
- Spray Starch & Small Container with lid
- Stencil Brush 1/4” or aqua brush
- Appliqué Template Paper (freezer paper)
- Black & Red Identa Pen or fine point Sharpies
- Curved paper scissors – (I use the Fiskars Curved scissors)
- Fabric Scissors - small
- Clear Teflon pressing sheet or parchment paper
- Roxanne’s Glue Baste It
- Straight short Pins (appliqué pins work best)

Design Board

To build your design board, begin with ¼” Foam Core Board, cut to 1” larger than your pattern. Do not cover with fabric. To keep edges clean, cover with blue painters tape.

Electrical cord & power bar for your irons.

Pattern/Fabric Requirements

Be sure to bring your complete pattern, and required applique fabrics. You will not need to bring border, backing, and binding fabrics.

***** Very Important *****

Everyone must bring their own tools.
No sharing!

If you have any questions about the workshop or supplies, please don’t hesitate to contact me.
